Rewarding

Calvert Trust Exmoor provides all year round, challenging outdoor activity breaks for disabled people of all ages and abilities together with their families, friends and carers.

Set within a stunning location, overlooking Wistlandpound Reservoir on the edge of Exmoor National Park, a beautiful Victorian model farm conversion is at the heart of our accessible, award winning and environmentally conscious centre.

“ We have never felt so accepted as a family – we didn't have to explain our daughter's behaviour to anyone. What an amazing experience. ”

Exciting

“It was lovely for my son to be shown so many things he could do rather than being told he couldn't do this or that, it has broadened our perspective.”

Residential Multi Activity Breaks are delivered by our specially trained, highly experienced and well qualified team of instructors. Structured programmes of exciting activities are developed to suit the needs of Visitors.

We have exclusive use of the reservoir for sailing, kayaking and canoeing and easy access to the forest activity trails. With all activities on one site more of your time can be spent enjoying what the centre has to offer.

In the evening you can relax in our hydrotherapy pool, Jacuzzi, steam or sensory rooms at no extra cost. A fully licensed bar is also available.
