Will you dare to fly on the King Swing or relish the confidence that comes from mastering the 15 metre High Ropes Course?

Our facilities are exceptional, our instructors first class and our reputation second to none.

Action and Adventure @Kielder

Sailing

All aboard easy access motor cruisers 'Happy Days' or 'Sara J', or set sail in 'The Sylvia Adams' for a trip around Kielder Water - catch a few waves.

Climbing and Abseiling

Conquer the outdoor climbing and abseil tower or come rain or shine, reach the top and plant your flag on the summit of the indoor climbing wall - king of the mountain.

High and Low Ropes Course

Make your way round the seven elements of the high course; do the Elvis walk; scramble over the cargo net and take the leap of faith - high ropes, high times.

They may be close to the ground but you still need to balance your way around the low course - swing low, sweet chariot.

Zip Wire

Zip across the Crānecleugh Burn for a thrilling adrenalin rush - earn your flying colours.

Laser Clay Shooting

Just like clay pigeon shooting but with lasers. Hit the targets and see your points add up on the electronic scoreboard - catch that pigeon now!

Canoeing and Kayaking

Paddle your canoe or kayak and get close to nature in the sheltered and secluded bays of Kielder Water - have a splashing time.

Velcro Olympics

Tackle this fun obstacle course whilst wearing a Velcro suit - will you stick to the task!

Golf Buggies

Sit back and enjoy a ride though Kielder Forest and along the Lakeside Way for spectacular views of Kielder Water and close encounters with the local wildlife.

King Swing

Start with a gentle swing alongside a friend and build up to the 10 metres high, adrenaline fuelled King Swing, and for the really brave, go straight to the top and shut your eyes - woohoo.

Orienteering and Geocaching

Head out across the wild Northumberland landscape to learn map and compass skills.

Hydrotherapy Pool and Snoozelum

Relax and unwind in the heated hydrotherapy pool or stimulate your senses with lighting effects, colour, sounds, music and scents in the purpose built Snoozelum sensory room.

Archery

Strike gold in the forest archery range and imagine you are William Tell - apples not included.
