

Get Kids Active @Kielder

Learning • Adventure • Experience • Confidence

Multi-activity experiences for children of all abilities from specialist and mainstream schools. We want children to really love life, to delight in new experiences and to gain reward from being challenged.

Our innovative programmes encourage children to learn more about themselves and gain confidence through challenging and adventurous activities.

Whether it's an activity day or residential course, our skilled and professional instructors will make sure, it's safe, educational, plenty of fun and has a positive impact on the achievement and personal development of children and young people.

Challenge children to reach the top of the Climbing Wall, work as a team to conquer the 15 metre High Ropes Course or hit the target on the Archery range.

Explore and Learn @Kielder

Situated in the breathtaking Kielder Water & Forest Park, home to the largest man-made lake in Europe, we offer the perfect base for children to explore and learn.

As one of the UK's most beautiful areas, this location offers 27 glorious miles of shoreline, a magical environment full of wildlife and flora, fresh, clean air and magnificent expansive horizons - plenty to fuel the imagination!

Local facilities and activities in the surrounding area include the multi-user Lakeside Way, Kielder mountain bike trails, forest walks, and historical sites in Northumberland, Cumbria and the Scottish Borders.

The park holds International Dark Sky status and is home to the award winning Kielder Observatory, where children can learn about the universe and the darkest skies in England.
